FINE HANDMADE SUITS & BUSINESS ATTIRE

ANNAPOLIS, MARYLAND

ABOUT US

Capital Custom Clothiers is the premier men's shop in Maryland. We pride ourselves on creating the finest suits, shirts, and business attire available. Every item is meticulously handcrafted to meet your unique measurements and tastes.

Our process begins with a private consultation with our staff. We will guide you through our selection of hundreds of the finest wools, cashmeres, cottons, and blends. With your personal fashion in mind, we will help you select a wardrobe appropriate for both your professional and personal requirements.

Once you have chosen fabrics, we will guide you through the ultimate customization process. Every last detail from style, cut, monogramming, and choice of cuffs and collars will be available for selection based on your personal preferences.

Next, our expert tailors will record every measurement necessary to ensure the perfect fit. Our focus is quite simple - to create the perfect suit to highlight your personal features. Your measurements will be kept on file for ease of future purchases, however we will repeat the measurement process whenever necessary to ensure the perfect fit.
